How is this?

We are excited to have attended the groundbreaking ceremony for Sauce & Vine located at Fate Station in #downtown. Owners Jeff and Kimberly Swinger celebrated the event with Head Chef Ted Grieb and wife Dana, Fate officials, and representatives from First Guaranty Bank.

This project has been on the table for several years and now is the right time to build upon the legacy of downtown. The project was approved by Mayor Burger and Council in 2019, and due to the unforeseen detour known as Covid, the project was halted temporarily. Back at the table and ready to bring a family-friendly dining experience to downtown, the team behind this project couldn't be more excited to get started!

Stay tuned for future updates!
